

Annual Dedicated Report

Why is this report required by law?

The Firearms Control Act 60 of 2000 requires that the holder of a Dedicated Hunter Certificate must participate in '**dedicated activities**' in order to maintain the Dedicated Hunter status. The Act also requires that the accredited association (SA Wingshooters) must have a 'dedicated process' in place to monitor the continued participation of Dedicated Hunters in such 'dedicated activities'. This is the reason why dedicated members are required to submit a Dedicated Activities Report annually to SA Wingshooters.

The Association has no choice and this report is a compulsory requirement by law and a must to maintain your Dedicated Hunter status. The report is confidential and needed for our internal dedicated purposes only. Your name will not be linked to any gamebird statistics derived from the processing of the reports.

How to fill in the report (Dedicated Hunters only)

The report is designed to be as simple and quick as possible. It is available in electronic format (EXCEL spreadsheet or PDF) on our website. It covers the past 12 months up the end of September...

You may wish to look up the details you entered in your logbook in the back of the Wingshooters Pocketbook for easy reference purposes and to refresh your memory.

Go to the Activities Report by clicking on the tag at the bottom of this sheet. Simply fill in your personal details by typing in the appropriate boxes. There is no need for long details, simply indicate the date, the name of the club or property (needed for verification purposes), the district and province (important for the gamebird sensus) and the numbers shot of the various species. The numbers of birds bagged is important to enable SA Wingshooters to compile market statistics and for national gamebird conservation programmes.

If you did a rifle hunt (furred game/plains game/etc), this is also admissible. The minimum number of activities in a year for a paid-up member to maintain Dedicated Hunter status is two (2).

What if I did not shoot in the past year?

Simply complete to Not-Active Declaration below and submit it to SAWingshooters.

Please do not hesitate to contact our offices if you require any assistance or more details.

Thank you for your goodwill and cooperation!
